

SUSTAINABILITY

CLOSED LOOP RECYCLING SCHEME

A simple, secure scheme to provide peace of mind that every sheet of Correx you return to us will be re-used in the production of permanent plastic products.

CARBON NEUTRAL BUSINESS

We not only offset but pro-actively reduce our entire annual operational carbon footprint whilst helping protect precious ecosystems globally. When you buy from us, it doesn't cost the earth - take confidence in knowing that every one of our outbound deliveries is carbon neutral!

50% OF OUR RANGE IS MADE WITH RECYCLED MATERIAL & 80% IS RECYCLABLE

We partner with reliable and ethical manufacturers globally to source products that are made from recycled materials. Through a strong supply chain and environmental focus, 80% of our core product range is recyclable, and over 50% is made with recycled material.

SERVICE

98% OF CUSTOMERS WOULD RECOMMEND US

98% of customers would recommend us to others

BUILT ON FAMILY VALUES & INTEGRITY

A personal service created through family values, where Care & Honesty are central to ensuring our customers always come first.

TRADING FOR OVER 45 YEARS

With three generations of the Family now involved in the business, clear succession has maintained our growth & financial stability over the last 45 years.

SUPPLY

SUPPLY CHAIN GUARANTEE - THREE OR MORE SOURCES FOR ALL CORE PRODUCT GROUPS

Consistent, reliable supply is at the core of our business; we maintain this by partnering with factories across the globe, so we are not reliant on one region for any of our products.

97.5% OF ORDERS DISPATCHED IN FULL AND ON TIME

Through careful stock management, proactive stock forecasting and agile sourcing of alternative products, we fulfil over 97.5% of orders on time and in full. If we have a stock shortage, we are committed to sourcing a suitable alternative product wherever possible.

GLOBAL DELIVERY

From Antigua to Australia, our global reach continues to expand. Through our network of trusted international logistics partners, we are able to dispatch our products globally in a timely and reliable manner.

SUPPORTING CHARITIES

£1 IN EVERY £200 OF REVENUE DONATED TO CHARITY

We continue to donate £1 in every £200 to recognised global charities, demonstrating our culture of care for those most in need.
